2020-08-09	2800	Biography	<b>John McCain: Maverick</b>		John McCain: Maverick	00	0	An exploration of Senator John McCain's complicated relationship with President Trump and the Republican Party, as well as his life and politics. Drawing on both a collection of new interviews and a deep archive of reporting, the film traces the conservative standard-bearer's motivations and his political history - from his experience as a prisoner of war in Vietnam, to speaking out against torture during the Bush administration, to his dramatic vote against the GOP's health care bill last year. The film also examines how, with his 2008 nomination of Sarah Palin as running mate, McCain himself contributed to a growing challenge to the party's establishment. In the news recently over his staunch refusal to allow Trump to attend his funeral, this is a timely portrait of a divisive figure of modern American politics.	USA	English-100	2018	RPT	PG	a	Y	Y

What's behind his great admiration for the City of Lights? Paris harbours the tomb of the man Hitler admires above all others: Napoleon, the emperor who conquered Europe.
